

The Cox Foods Group Coupon Redemption Store Policy

GENERAL

- All valid coupons should be presented to the cashier at the time of checkout. Coupons cannot be applied after a transaction is completed.
- *We accept only coupons that scan accurately at the register.*
- Multiple printed or digital coupons may not be used on a single item (stacking).
- We do not accept expired coupons.
- Coupons or their face value cannot be exchanged for cash or gift cards.
- We do not accept coupons for items not carried in our stores.
- The number of manufacturer coupons may not exceed the number of items in the transaction.
- The total value of the coupons may not exceed the value of the transaction.
- The use of 40 or more coupons per transaction, a transaction involving more than \$100 in coupons, or coupons totaling more than 20% of the gross sales price will require approval by store management.
- *Any applicable sales tax must be paid by the consumer.*
- We reserve the right to reject any coupon or to limit the number of coupons being used in a transaction.

FREE PRODUCT COUPONS

- We check for the Coupon Information Corporation (CIC) Hologram when manufacturer printed *Free Product* coupons with no purchase requirements are presented. (ie, Buy One, Get One Free coupons generally don't feature the CIC Hologram)

SALE ITEMS

- We will accept a manufacturer coupon for an item that is on sale.

DIGITAL COUPONS

- A digital coupon online account is required to obtain and use digital coupons.

- Digital coupons limited to terms and conditions specified in “more” link on the digital coupon.
- Digital coupons may not be combined with paper manufacturer coupons, promotions or offers.
- Reproductions of digital coupons into other electronic formats not accepted.
- Digital coupons cannot be added back to accounts once a transaction is completed or applied for any returns.
- Store management retains the right to accept, decline or limit the use of ANY digital coupon or offer.

BUY ONE, GET ONE FREE COUPONS (BOGO)

- BOGO coupons cannot be “chained” (i.e., you cannot use two BOGO coupons on two items and get both for free). Unless stated otherwise on the coupon, the use of one Buy One Get One Free coupon requires that two of the valid items are presented at checkout of which one item will be charged to the consumer and the 2nd item will be discounted by its full retail price.
- A second cents-off coupon cannot be counted towards the purchase price of the first product.

INTERNET/PRINT-AT-HOME COUPONS

- We accept valid Internet/Print-at-Home coupons.
- Internet Print-at-Home coupons feature unique serial numbers (often referred to as Pin Numbers) printed on them and follow an industry-standard format. Coupons printed on home or office equipment without these features will NOT be accepted.
- *We do not accept Internet/print-at-home coupons for “free” product or coupons valued in excess of 75% of the sale price of the product.* It is an industry practice not to produce printable coupons for free product. Buy-one-get-one-free coupons and other values that have a purchase requirement are acceptable. “Free product” coupons should always be pre-printed and sent via postal mail or published in media, and printed double-sided and/or on security paper.

COUNTERFEIT COUPONS

- We will reject coupons if they appear to be copied, distorted, blurry, or altered.

- We monitor the Coupon Information Corporation web site for announcements of new counterfeit coupons.
- We will work with the appropriate law enforcement authorities to prosecute individuals using counterfeit coupons.

RETURNS

1. In the event a consumer returns a product purchased with a coupon, the value of the coupon will be retained by store so the funds can be refunded to the manufacturer. The coupon will not be returned to the consumer.
